

If I were to do what I am telling others to do, what would be my next 3 steps?

Think about:

- **Words** or terms you may be assuming they know
- **Resources** or **networks** you may be assuming they have
- **Attitudes** or **skills** you may be assuming they possess

What do you think they should do?

Large empty gray box for writing the answer to the question: "What do you think they should do?"

What might you be assuming?

Words/terms

Resources

Attitudes/skills

Empty gray box for writing assumptions under the category "Words/terms".

Empty gray box for writing assumptions under the category "Resources".

Empty gray box for writing assumptions under the category "Attitudes/skills".

What could you define, provide or suggest to fast track their ability to do what you are telling them to do?

Large empty gray box for writing suggestions to fast track their ability to do what you are telling them to do.

Now restate. What do you think they should do? Include each step.

Numbered list for restating the steps:

- 1.
- 2.
- 3.
- 4.
- 5.
